PRINCE2® 7 Foundation

Duration: 3 Days

Prerequisite:

Delegates should have an understanding of project management but knowledge of PRINCE2 is not required.

Course Description:

PRINCE2 is a method for managing projects. It helps you work out who should be involved and what they will be responsible for. This course conforms to the PRINCE2 7th Edition syllabus.

Course Objectives:

By the end of the learning you should:

- Understand key concepts relating to projects and PRINCE2
- Understand how the PRINCE2 principles underpin the PRINCE2 method
- Understand the importance of people insuccessful projects
- Understand the PRINCE2 practices and how they are applied throughout the project
- Understand the PRINCE2 processes and how they are carried out throughout the project

Intended Audience:

This course would benefit:

- Project Managers and aspiring Project Managers
- Other key staff involved in the design, development and delivery of projects, including:
  o Project board members (e.g. senior responsible owners)
  o Team managers (e.g. product delivery managers)
  o Project assurance (e.g. business change analysts)
  o Project support (e.g. project and programme office personnel)
  o Operational line managers/staff
